# The innovation – faster drying result through variable drying bars

Available in two sizes

Variable drying bars

Individual distances

Better air circulation

Fast drying

Fits through the door – Varioline M

## Studies verify success potential:

„I can imagine the better air circulation yet. That is really faster.“

„It is great that there is no need to leave out bars, but to work immediately with enough distance.“

Source: Monheimer Institut, April 2012

### Wing-type dryer Varioline
